STAMPED CHECKS

ALL THE BANKS,

V. B. WADDELL,

Attorney-at-Law, General Land Agent And Proprieter of the Abstract of Land Titles in Tunica county, Mississippi. Look to your land titles. I have now complete, a perfect Abstract of Titles of all lands in Tunica county, Miss., as it was before portions of the same were taken for Tate and Quitman countles. This Abstract shows that there are very few perfect titles in Tunica county. Many of them are unterly defective, and there are scarcely any that are not clouded by tax-titles. In some instances I find that valuable plantations, about the titles of which the holders have entertained no doubt, are held by titles that would avail nothing before a count, either in prosecuting or defending a suit in ejectment. The defects in these titles may generally be cured if they are ascertained at once and the proper remedy applied. I will familish abstracts on short notice, charging one doilgr for each conveyance noted on the abstract. Payable on delivery.

All the plainest colling. Saving was the onler of the house, and to have a home of carown had been our united aim. Now we have it. There is no leadlord troubling is with raising the rent, and exacting this or that. There is no feel harboned in our bosons that in sickness or old age we will be thrown out of house and home, and the money which otherwise would have gone to pay rent is sufficient to keep us comfortable in the winter days of life."
